## VK-BCL Automatic Box Single Corner Wrap Labeling Machine

VK-BCL corner wrap and tamper-proof automatic labeling machine is suitable for corner labeling for various carton box products. Adapt in-line and continuous labeling without product pause.

A complicated part changeover isn't necessary as the well-designed structure quickly and efficiently adjusts the applicator position and related assembly. Use the touch screen set details and specific settings.

With servo motor driven, it can be adjusted with upper or lower folded corners.
